PROFESSIONAL DEVELOPMENT PROGRAMS

November 2010 – July 2011

The Proteus Leadership Centres is proud to be able to provide training and support to organisations and individuals across Western Australia. Our mantra is 'to create great leaders' and we do this through our public program schedule, tailored in-house programs, on-line learning and workshops and events.

We would love to see you and your team at one of the programs listed below, or have the opportunity to meet with you and tailor a program around your specific needs.

IMPACT LEADERSHIP / DIPLOMA OF MANAGEMENT (BSB51107)

- 6 Day Program (2 Days x 3 Months)

This exciting leadership program has proven to have an immediate impact on individuals and organisations. It brings theory and work related experience together in a practical, contemporary way and focuses on both personal and professional development.

Looking at the real issues occurring in the workplace, it assists participants to discover relevant solutions to these issues. It provides a unique learning opportunity to further develop their leadership skills, assisting them in establishing strategies to implement their learning back in the workplace.

This program recognises the experience participants already have and offers a range of skills required to fulfill a middle to senior management position. Impact Leadership participants can also apply to complete their Diploma of Management online.

Please speak to one of the staff at Proteus for information on how to apply.

PROGRAM DATES

25th & 26th May 2011

22nd & 23rd June 2011

20th & 21st July 2011
